Hey Black Child

*Hey Black Child,
Do you know who you are?
Who you really are?
Do you know you can be
What you want to be?
If you try to be
what you can be.*

Hey Black Child,
Do you know where you're going?
Where you're really going?
Do you know you can learn
What you want to learn?
If you try to learn
What you can learn?

Hey Black Child,
Do you know you are strong?
I mean really strong?
Do you know you can do
What you want to do?
If you try to do
What you can do?

*Hey Black Child,
Be what you can be
Learn what you must learn
Do what you can do
And tomorrow your nation will be
what you want it to be*
